

Faculty of Higher Education

Subject Code	HOH729
Subject Name	Professional Practice Project
Credit points	18
Study Level	Year 4
Delivery mode	On campus
Location	Melbourne
Prerequisites	Successful completion of HOS551 HOS651 and TOU751
Corequisite	HOH728 Professional Practice

Subject Coordinator
Lynn Richardson
LynnR@angliss.edu.au

Subject Overview	Integrated through the professional practice year, this subject requires students to apply the knowledge gained in the first three years of the degree program to a specific workplace problem or area of research. Based on the student selected area of specialisation, communities of practice and academic mentors form a supportive network, which assists students to deepen their knowledge and tackle complex problems.
-------------------------	---

Learning Outcomes	Critically analyse literature and develop a specific, researchable question
	Justify the choice of research methodology
	Conduct research in a timely and focussed manner, demonstrating a flexible response to challenges
	Collate relevant data and present in an appropriate format that supports the research question
	Critically analyse and communicate research findings

Assessments	Details	Weighting
	Identifying the broad problem/issue	5%
	Literature review	15%
	Methodology and research plan	10%
	Interim report	20%
	Final report and presentation	50%

Graduate Attributes addressed in this subject	Preparedness
	Systematic and coherent body of knowledge
	Cognitive skills to synthesise and consolidate knowledge
	Scholarly skills
	Communication skills
	Personal attributes - independent learning, curiosity, explore aptitude for academic research/scholarship
