   * Principle Course of Study: - The principal course of study is the highest qualification (normally the last course) covered by the student’s visa.

   1.4 Tuition fees and deposits can be paid in the form of a bank draft, cash, credit card or telegraphic transfer.
   1.5 All bank charges relating to telegraphic transfer (TT) of funds to the Institute are the responsibility of the international student, and a processing fee of A$25 must be deposited in addition to the tuition fees. The balance of bank fees for a TT of funds that are less than A$25 will be credited to the student’s next semester tuition fees.

2. **Accelerated Mode of Studies**
   2.1 Timetables and tuition fees are indicative of full study loads – a student with approval to take additional semester subjects must pay tuition fees for those extra subjects in that semester. The fee will be determined pro-rata.

3. **Repeat Subjects**
   3.1 Tuition fees must be paid for repeat subjects or components of repeat subjects. A learning plan will be developed for students who are repeating subjects. The fee will be determined pro-rata. Vocational Course repeat fees may range between $20 - $25/hour. Bachelor Degree repeat subjects will be charged at $2470/subject (Melbourne campus) or $2375/subject (Sydney campus).

4. **Credit Subjects**
   4.1 In the case that credits are granted and substitute subjects are applied to maintain full-time study load, full semester fees will apply.

5. **Transfer of courses at William Angliss Institute**
   5.1 Should an international student be granted permission to transfer to another course at William Angliss Institute, tuition fees for the first semester of the new course must be paid in full as well as the administration fee to issue a new Offer Letter and Acceptance Agreement and CoE.

6. **Deferment**
   6.1 In the case where a student is suspended and/or deferred their studies, the tuition fees not utilised will be transferred as credit for the deferred studies when they return to the Institute. In the event that the student does not return to study at the Institute, the refund policy will apply.

7. **Non-Payment**
   7.1 An invoice with a payment schedule for the following semester tuition fees will be issued to each student, and sent to the student’s local mailing address registered with the Institute as well as their Institute’s email address. Non-receipt of this invoice will not be accepted as reason for non-payment of tuition fees by the scheduled date. A late fee will be charged if payment is not received by the due date.
   7.2 Non-payment of tuition fees will result in a cancellation of a student’s enrolment. Student will be notified in writing of WAI’s intention to report and given 28 days for internal appeal before a notification is sent to Department of Education via Provider Registration and International Students Management System (PRISMS) as required under ESOS legislation.
   7.3 Outstanding fees will attract debt collection agency charges that must be paid by a student before the Institute will issue any course certification to that student.

8. **Materials, Uniforms Equipment and Excursions**
   8.1 All courses may incur non-tuition fees. These are expenses that cover texts, some materials (non-food items), uniforms, equipment, excursions etc.

Refund of Fees for 
International Students

Purpose
To ensure that William Angliss Institute (WAI) complies with provisions under the Education Services for Overseas Students (ESOS) framework, the National Code 2018, and Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) requirements.

To ensure that WAI implements a fair and equitable refund policy for international students and intending international students who have made payment to undertake a course of study at William Angliss Institute (WAI) in Melbourne/Sydney.

Policy
Refunds due to William Angliss Institute (WAI) default
William Angliss Institute (WAI) will refund all pre-paid fees not utilised paid by an international student or intending international student within two weeks of the default in relation to a course if:

- the Institute fails to deliver the course on the agreed start date; or
- the course ceases to be provided by the Institute after it starts and before it is completed; or
- the course is not provided in full because a sanction has been imposed on the Institute by Australian government agencies; and the student has not withdrawn before the default day.

WAI will report a provider default via PRISMS within 3 business working days to the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) and the Department of Home Affairs approved transfer and unconditional letter of offer to another institution where a course deferment is not possible; or

- the student breaches any condition of their student visa; or
- the student does not commence the course on the agreed start date and has not previously withdrawn; or
- the student’s failure to start the course at the location on the agreed start date; or
- a deferral request is received after the starting date of the original course commencement; or
- the student fails to pay the required tuition fees; or
- the student breaches any condition of their student visa; or the student misbehave or in breach of any enrolment conditions; or
- the student has been granted permanent residency or any other visas; or
- suspension or deferment is not approved. (Where a suspension is approved by WAI for "compassionate & compelling" circumstances any pre-paid tuition fees not utilised will be transferred to the next study period. All transferred fees are not refundable and subject to a new transfer condition).

Debits
Deposits for principal course are not refundable unless in the case of visa rejection.

Refund of Overseas Student Health Cover (OSHC) Premium
Students who have arrived in Australia and have prepaid OSHC premium to WAI, will be fully refunded their OSHC premium through application to William Angliss Institute.

Application should be made by submitting an Application for Refund with William Angliss Institute.

Alternative Tuition Arrangements
WAI may arrange, at the discretion of the Institute, for another course, or part of a course, to be provided to an international student or intending international student as an alternative to refunding course money. Should an international student or intending international student agree to accept the alternative course to receiving a refund of course money, William Angliss Institute is no longer liable to refund the student money owed for the original enrolment.

Refund requests
Apart from instances of provider default where no Application for Refund is required, an international student or intending international student must make a claim for a refund by completing the Request Form for International Student for the attention of:

Manager – Angliss International Office
William Angliss Institute
555 La Trobe Street
Melbourne 3000 Australia

The claim must identify the reason for the refund and must include supporting documentation according to the circumstances such as:

- A letter from the Department of Home Affairs advising of a rejection of the student visa application or a refusal to extend a student visa; or
- Proof of compassionate and/or compelling circumstances that may prevent the student from commencing their studies; or
- Bereavement of close family members such as parents or grandparents (where possible a death certificate should be provided); or

- A traumatic experience which could include but is not limited to:
- Involvement in or witnessing of an accident; or
- A crime committed against the student; or
- The student has been a witness to a crime and this has impacted on the student (these cases should be supported by police or psychologists’ reports).

- An unconditional letter of offer from another institution along with a Department of Home Affairs approval letter to transfer (if applicable); and
- A completed and signed William Angliss Institute Application for Course Withdrawal Form (if enrolloid)

A progress and attendance report from the preliminary course as requested in the conditional offer letter.

The request must be signed and dated correctly by the student. Signature of the request must match the student’s signature on the application form and the Acceptance Agreement and/or other documents provided to WAI. The date of notification of the request for a refund is from the date the request is received at the International Office at the Institute.

The student must show proof that the tuition fees had been paid in full at the time the refund request is made and all debts to WAI been paid in full prior to processing a refund.

Payment of Refunds
The provision of a refund from William Angliss Institute does not guarantee the issue of a release letter and conversely the issue of a release letter does not guarantee the eligibility for refund. Refer to International Students Application for Release Policy. Refunds will be paid directly to the student or the person nominated by the student.

The refund will be calculated in the currency of the country the bank account is held in and the exchange rate will be determined on the day of the transaction.

A refund due to provider default will be paid within 2 weeks after the default day.

A refund due to student default will be paid within 4 weeks after the default day.

A student who is refused a full refund or partial refund or any refund under the William Angliss Institute Refund Agreement may appeal within seven days in writing to:

Students from certain countries can undertake a maximum period of 25 weeks of ELICOS training after English language testing. These strategies are in place with the belief that if a student needs a long period of ELICOS or struggles with English language proficiency from the outset they may be at greater risk of non-compliance with visa conditions or may need to extend their stay in Australia if they are required to repeat units, or undertake additional ELICOS courses.

Package Courses
Eligible ELICOS units are those that assess the competence of students in reading, listening, writing and expressing skills by presenting students in terms of IELTS equivalence. Students must have the equivalent English language level to the stipulated IELTS levels required for direct entry into the Bachelor degree. Interviews may be conducted when required.
