WAI discharges its obligation to refund where a place in an alternative course is arranged at the Institute's expense and the offer is accepted by the student in writing.

Transferred fees are non-refundable and subject to a no further transfer condition).
- Deposits for the principal course are non-refundable, except in the case of a student visa refusal.

THE CALCULATION OF UNUSED TUITION FEES

Partial refunds are only provided for unused tuition fees, minus \$750 administration fee.

Calculation of Unused Tuition Fees:

Unused fees = (Tuition fee paid ÷ Study Period weeks) X (Study Period weeks – Weeks attended*)

*Part weeks will be rounded up to the end of that calendar week. Attendance is calculated until the date the enrolment is ceased.

Example: A student pays \$10,920 for first semester fees in a VET program (18 weeks total) and is eligible for partial refund after attending 2 weeks:

Unused Fees = (\$10,920 ÷ 18) x (18 weeks - 2 weeks) = \$9,706.72

Refund Payable = \$9,706.72 – \$750 (admin fee) = \$8,956.72

TABLE 3:

PROGRAM	STUDY PERIOD	WEEKS
VET (Cert./Diploma/Adv. Diploma)	One Term	9 Weeks
VET (Cert./Diploma/Adv. Diploma)	One Semester	18 Weeks
HE (Bachelor/Masters)	One Semester	12 Weeks

REFUND OF OVERPAYMENT OF FEES

Students who have paid their fees up front and then make amendments to their enrolment that result in 'overpayment' may choose to have this credit balance fully refunded to them or transfer the amount to the next study period.

REFUND OF OVERSEAS STUDENT HEALTH COVER (OSHC) PREMIUM

Offshore students who have visa rejection or withdraw their course 28 days before course commencement, can have their prepaid OSHC premium fully refunded by submitting an Application for Refund with William Angliss Institute.

Students who have arrived in Australia and apply for refund of Overseas Student Health Cover (OSHC) premium will be subject to the designated OSHC company's refund policy and procedures. This Application should be made directly to the OSHC provider.

ALTERNATIVE TUITION ARRANGEMENTS

WAI may arrange, at the discretion of the Institute, for another course, or part of a course, to be provided to an international student or intending international student as an alternative to refunding course money.

Should an international student or intending international student agree to accept the alternative course to receiving a refund of course money, William Angliss Institute is no longer liable to refund the student money owed for the original enrolment.

REFUND REQUESTS

Apart from instances of provider default where no Application for Refund is required, an international student or intending international student must make a claim for a refund by completing and submitting the International Student Refund Request Form to:

Manager – Angliss International Office
William Angliss Institute
555 La Trobe Street, Melbourne 3000 Australia

The claim must identify the reason for the refund and must include supporting evidence or documentation according to Table 1 or 2 as listed above or as request by the International Office.

You must undertake studies sufficient to exit at a level deemed equivalent to the required levels for the main course of study (see table opposite page). English for Academic Purposes for further studies, or similar courses, are strongly recommended as a preparation for all courses at the Institute.

You should make direct contact with an Institute Approved ELICOS Provider by visiting angliss.edu.au/international for full details of ELICOS Providers.

For students undertaking ELICOS before entry into William Angliss Institute, international students must demonstrate appropriate levels of English language proficiency at the commencement of their courses. Levels are measured as equivalent to direct entry proficiency criteria.

DISCLAIMER: The approved ELICOS center list is valid as of August 2023 and is subject to change.

GENUINE STUDENT (GS) REQUIREMENT

As an international student considering studying at WAI, it is essential to understand the Genuine Student (GS) requirement.

The Genuine Student (GS) requirement is a vital part of the Australian student visa application process. To familiarize yourself with the guidelines and criteria for the GS requirement, please visit the official website of the Australian Department of Home Affairs:

immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500/genuine-student-requirement

FINANCIAL REQUIREMENTS

To study in Australia, you must demonstrate that you have adequate funds to cover your living expenses, course fees, and travel costs. Providing evidence of financial capability is a crucial requirement. For detailed information on the specific financial requirements and guidelines, please visit the official website of the Australian Department of Home Affairs

immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500/

Students from certain countries can undertake a maximum period of 25 weeks of ELICOS training after English language testing. These strategies are in place with the belief that if a student needs a long period of ELICOS or struggles with English language proficiency from the outset they may be at greater risk of non-compliance with visa conditions or may need to extend their stay in Australia if they are required to repeat units, or undertake additional ELICOS courses.

STUDENTS UNDER 18 YEARS OLD

If you are under 18 years of age and will be accompanied by your parent(s) or custodian, or will be staying with a relative at least 21 years of age, of good character and who has been nominated by your parent(s) or custodian, the Institute will issue you with the CoE on payment of tuition and other required fees, provided that you have met all other entrance requirements.

If you are not being accompanied by your parent(s) or custodian, or will not be staying with a relative, the organisations listed below can provide you with assistance in organising suitable welfare and accommodation services. You should make contact with one of these organisations to obtain full details of their services available to you. If you use the services of one of them, we will issue you with a Confirmation of Appropriate Accommodation and Welfare (CAAW) letter (along with the CoE) on payment of your tuition and documentation that are contained in your Offer letter. The Institute will only issue the CAAW and CoE when the nominated welfare and accommodation service organisation submits in writing that suitable accommodation, support and general welfare arrangements have been organised for you, and this is approved by WAI. You should pay any fees associated with the services provided by one of these organisations directly to that organisation.

An Under 18 student can only stay in accommodation approved by William Angliss Institute – Approved Homestay (Australian Homestay Network, AHN) or Student Accommodation: Scape.

Under 18 students cannot change their approved welfare or accommodation arrangements at any time unless approved by WAI. William Angliss Institute does not accept students that are under 17 years of age.
